

Idaho Roadless Area Review - Idaho Panhandle National Forest

IRA Name	IRA Acres (Based on 2000 EIS)	IRA Acres (Based on 1997 Draft Plan)	Location and Basic Info					Current Rx	Public Comment		County Recommendation and Comment		
			County(s) in IRA (and Approx IRA acres per County)	Holdings (Private, State Land)	Adjacent NF	IRA Roadless Category 1B, 1B-1, or 1C (acres per category based on 2000 EIS)	1997 1997 FP Rx		Comment on Specific IRAs	General Comment on this NF	County #1	County #2	County #3
Beetop (#130)	12,853	12,445	Bonner (12,853)	Private - 595; Federal - 333	N/A	1B (10,131); 1C (1,710)	1D - Recreation; 13 - Special Features; 14 - Research Natural Areas; 2 - Timber/Grizzly Bear; 9 - Unsuitable Lands	MAS - Backcountry (12,445)	1 orgs & 1 Individuals protect roadless. Total comments: 3 organizations, 1 individuals.	Idaho Panhandle NF (and Kootenai portion) specific comment total: 3 orgs and 7 individuals protect roadless; 1 orgs and 2 individuals support FP and/or amendment to FP Total - 4 organizations, 9 individuals.	Bonner County: General - support Forest Service approach with MA-5 designation (draft Plan) for majority of roadless areas in Bonner County. No increase in permanent road building, ability to access and use any currently open roads and/or trails for motorized and non-motorized uses, but also allow for management activities to enhance forest health. Support increase in timber sale volumes from Federal Lands in Bonner County to maintain funding for roads and public schools.	N/A	N/A
Big Creek (#143)	74,605	76,340	Shoshone (74,607)	No	N/A	1B (42,430); 1C (32,145)	1D - Recreation; 12 - National Wild and Scenic Rivers; 13 - Special Features; 14 - Research Natural Areas; 1 - Timber Production; 4 - Timber Production/Big Game Winter Range; 5 - Big Game Winter Range; 6 - Timber Production/Big Game Winter Range; 9 - Unsuitable Lands	MAS - Backcountry (76,340)	1 orgs & 2 Individuals protect roadless. Total comments: 2 organizations, 2 individuals.	Idaho Panhandle NF (and Kootenai portion) specific comment total: 3 orgs and 7 individuals protect roadless; 1 orgs and 2 individuals support FP and/or amendment to FP Total - 4 organizations, 9 individuals.	Bonner County: General - support Forest Service approach with MA-5 designation (draft Plan) for majority of roadless areas in Bonner County. No increase in permanent road building, ability to access and use any currently open roads and/or trails for motorized and non-motorized uses, but also allow for management activities to enhance forest health. Support increase in timber sale volumes from Federal Lands in Bonner County to maintain funding for roads and public schools.	Shoshone: Specific - Shoshone County also stated their agreement with recommendations outlined by Bonner County for this IRA. Shoshone County WUI acres in this IRA = 37 (18), 2,999 (1C)	Shoshone: General - 1) Provide reasonable access to public and private property; 2) boundaries of IRAs established in RARE II not changed; 3) existing roads should be available to the public; construction of new roads in IRAs only when forest health is significantly compromised; 4) sustainable resource management; 5) IRAs that intersect the WUI managed to protect the WUI and communities and implement the community fire plan; 6) crisis forest health conditions given priority and tools to manage; 7) wish to participate as a cooperating agency in any federal rulemaking regarding IRAs in the County without substantial cost to the County; 8) provide process for salvage harvest, forest thinning or other forest health treatments where not otherwise prohibited under the Forest management plan.
Blacktail Mountain PL (#122)	5,288	4,360	Bonner (5,288)	No	N/A	1B (899); 1C (4,389)	1D - Recreation; 13 - Special Features; 14 - Research Natural Areas; 1 - Timber Production; 4 - Timber Production/Big Game Winter Range; 9 - Unsuitable Lands	MAS - Established and Preserved Natural Resource Areas (E30); MAS - Backcountry (4,140)	1 orgs & 1 Individuals protect roadless. Total comments: 3 orgs and 7 individuals protect roadless; 1 orgs and 2 individuals support FP and/or amendment to FP Total - 4 organizations, 9 individuals.	Idaho Panhandle NF (and Kootenai portion) specific comment total: 3 orgs and 7 individuals protect roadless; 1 orgs and 2 individuals support FP and/or amendment to FP Total - 4 organizations, 9 individuals.	Bonner: General - Support Forest Service approach with MA-5 designation (draft Plan) for majority of roadless areas in Bonner County. No increase in permanent road building, ability to access and use any currently open roads and/or trails for motorized and non-motorized uses, but also allow for management activities to enhance forest health. Support increase in timber sale volumes from Federal Lands in Bonner County to maintain funding for roads and public schools.	N/A	N/A
Blacktail Mountain SDFP (#161)	4,890	4,830	Bonner (4,891)	No	N/A	1C (4,890)	1 - Timber Production; 4 - Timber Production/Big Game Winter Range; 9 - Unsuitable Lands	MAS - Backcountry (4,830)	1 orgs & 1 Individuals protect roadless. Total comments: 1 organizations, 1 individuals.	Idaho Panhandle NF (and Kootenai portion) specific comment total: 3 orgs and 7 individuals protect roadless; 1 orgs and 2 individuals support FP and/or amendment to FP Total - 4 organizations, 9 individuals.	Bonner: General support Forest Service approach with MA-5 designation (draft Plan) for majority of roadless areas in Bonner County. No increase in permanent road building, ability to access and use any currently open roads and/or trails for motorized and non-motorized uses, but also allow for management activities to enhance forest health. Support increase in timber sale volumes from Federal Lands in Bonner County to maintain funding for roads and public schools.	N/A	N/A
Blackhorn Ridge (#661)	6,709 (Federal NF 19,908)	6,410 (MT 3,150)	Boundary (Total IRA acres: Bonner 16,576, Boundary 9,976)	No	Kootenai NF, MT	1C (6,709); (Kootenai NF 19,908)	2 - Timber/Grizzly Bear; 9 - Unsuitable Lands	MAS - Backcountry (6,410)	1 orgs & 0 Individuals protect roadless. Total comments: 3 organizations, 0 individuals.	Idaho Panhandle NF (and Kootenai portion) specific comment total: 3 orgs and 7 individuals protect roadless; 1 orgs and 2 individuals support FP and/or amendment to FP Total - 4 organizations, 9 individuals.	Bonner: Specific - WUI acres in this IRA are 3,883 and 2,648. See general comments next column.	Boundary: General - 1) Allow fire mitigation work as outlined in County fire management plan, including construction of temporary roads, in any WUI boundary including wilderness; 2) County will meet with Governor and FS Regional Forester per Health Forest Restoration Act process to address any threat that endangers IRA resource or surrounding lands; 3) County to participate as cooperating agency in any federal rulemaking regarding IRAs in County, with no substantial cost to County; 4) Process for salvage harvest, thinning or other health treatments in IRAs to be prioritized and expedited upon written request to FS from Gov. or County; 5) Management prescriptions in all WUIs adjusted for public safety, health and welfare through implementation of community fire plan.	Bonner: General support Forest Service approach with MA-5 designation (draft Plan) for majority of roadless areas in Bonner County. No increase in permanent road building, ability to access and use any currently open roads and/or trails for motorized and non- motorized uses, but also allow for management activities to enhance forest health. Support increase in timber sale volumes from Federal Lands in Bonner County to maintain funding for roads and public schools.
Continental Mountain (#153)	7,743	7,330	Boundary (7,743)	No	N/A	1C (7,743)	7 - Caribou Management; 9 - Unsuitable Lands	MAS - Backcountry (7,330)	1 orgs & 1 Individuals protect roadless. Total comments: 1 organizations, 1 individuals.	Idaho Panhandle NF (and Kootenai portion) specific comment total: 3 orgs and 7 individuals protect roadless; 1 orgs and 2 individuals support FP and/or amendment to FP Total - 4 organizations, 9 individuals.	Boundary: General - 1) Allow fire mitigation work as outlined in County fire management plan, including construction of temporary roads, in any WUI boundary including wilderness; 2) County will meet with Governor and FS Regional Forester per Health Forest Restoration Act process to address any threat that endangers IRA resource or surrounding lands; 3) County to participate as cooperating agency in any federal rulemaking regarding IRAs in County, with no substantial cost to County; 4) Process for salvage harvest, thinning or other health treatments in IRAs to be prioritized and expedited upon written request to FS from Gov. or County; 5) Management prescriptions in all WUIs adjusted for public safety, health and welfare through implementation of community fire plan. Kootenai Peak (#126)	4,512	4,970	Boundary (4,512)	No	N/A	1C (4,512)	1 - Timber Production; 2 - Timber/Crozier Bear; 3 - Grizzly Bear/Big Game Winter Range; 4 - Timber Production/Big Game Winter Range; 7 - Caribou Management; 9 - Unsuitable Lands	MAS - General Forest (4,970)	1 orgs & 0 individuals protect roadless. Total comments 1 organizations, 0 individuals.	State Panhandle NF (and Kootenai portion) specific comment total: 3 orgs and 7 individuals protect roadless; 1 orgs and 2 individuals support FP and/or amendment to FP. Total - 4 organizations, 9 individuals.	Boundary Specific - 4,500 County WUI acres in this IRA. General - 1) Allow fire mitigation work as outlined in County fire management plan, including construction of temporary roads, in any WUI boundary including wilderness. 2) County will meet with Governor and FS Regional Forester per Health Forest Restoration Act process to address any threat that endangers IRA resource or surrounding lands. 3) County to participate as cooperating agency in any federal rulemaking regarding IRAs in County, with no substantial cost to County. 4) Process for salvage harvest, thinning or other health treatments in IRAs to be prioritized and expedited upon written request to FS from Gov. or County. 5) Management prescriptions in all WUIs adjusted for public safety, health and welfare through implementation of community fire plan.	N/A	N/A	
Little Grass Mountain (#121)	4,287	4,050	(WA 3,910) Bonner (4,240); Ponder Creek, WA	No	Washington State	1C (4,287)	1 - Timber Production; 4 - Timber Production/Big Game Winter Range; 7 - Caribou Management; 9 - Unsuitable Lands	MAS - Backcountry (4,050)	1 orgs & 0 individuals protect roadless. Total comments 1 organizations, 0 individuals.	State Panhandle NF (and Kootenai portion) specific comment total: 3 orgs and 7 individuals protect roadless; 1 orgs and 2 individuals support FP and/or amendment to FP. Total - 4 organizations, 9 individuals.	Bonner General - support Forest Service approach with MA-5 designation (draft Plan) for majority of roadless areas in Bonner County. No increase in permanent road building, ability to access and use any currently open roads and/or trails for motorized and non-motorized uses, but also allow for management activities to enhance forest health. Support increase in timber sale volume from Federal Lands in Bonner County to maintain funding for roads and public schools.	N/A	N/A	
Last Creek (#137)	11,650	11,610	Shoshone (11,650)	No	N/A	1B (7,368); 1C (1,684)	1D - Recreation; 12 - National Wild and Scenic Rivers; 13 - Special Features; 14 - Research Natural Areas; 4 - Timber Production/Big Game Winter Range; 6 - Timber Production/EK Summer Range	MA2b - Eligible or Suitable Wild, Scenic and Recreational Rivers (90); MAS - Backcountry (11,520)	1 orgs & 1 individuals protect roadless; 1 org & 0 individual support FP and/or amendment to FP. Total comments 2 organizations, 1 individuals.	State Panhandle NF (and Kootenai portion) specific comment total: 3 orgs and 7 individuals protect roadless; 1 orgs and 2 individuals support FP and/or amendment to FP. Total - 4 organizations, 9 individuals.	Shoshone 261 County WUI acres in IRA. General - 1) Provide reasonable access to public and private property; 2) boundaries of IRAs established in RARE II should not be changed; 3) roads that currently exist should be available to the public; construction of new roads in IRAs should only be considered when forest health is significantly compromised; 4) sustainable resource management; 5) IRAs that intersect the WUI should be managed to protect the WUI and communities and implement the community fire plan; 6) crisis forest health conditions should be given priority and tools to manage; 7) wish to participate as a cooperating agency in any federal rulemaking regarding IRAs in the County without substantial cost to the County; 8) provide process for salvage harvest, forest thinning or other forest health treatments where not otherwise prohibited under the Forest management plan.	N/A	N/A	
Magee (#132)	34,207	34,820	Bonner (5,872); Kootenai (3,649); Shoshone (24,687)	No	N/A	1C (34,207)	4 - Timber Production/Big Game Winter Range; 6 - Timber Production/EK Summer Range; 9 - Unsuitable Lands	MAS - Backcountry (34,210); MAS - General Forest (610)	1 orgs & 1 individuals protect roadless; 10 org & 0 individual support FP and/or amendment to FP. Total comments 3 organizations, 1 individuals.	State Panhandle NF (and Kootenai portion) specific comment total: 3 orgs and 7 individuals protect roadless; 1 orgs and 2 individuals support FP and/or amendment to FP. Total - 4 organizations, 9 individuals.	Bonner General - support Forest Service approach with MA-5 designation (draft Plan) for majority of roadless areas in Bonner County. No increase in permanent road building, ability to access and use any currently open roads and/or trails for motorized and non-motorized uses, but also allow for management activities to enhance forest health. Support increase in timber sale volume from Federal Lands in Bonner County to maintain funding for roads and public schools.	Kootenai General - Forest Service Plan is balanced and manageable. Support going forward with the Forest Service Plan as presented.	Shoshone General - 1) Provide reasonable access to public and private property; 2) boundaries of IRAs established in RARE II not changed; 3) existing roads should be available to the public; construction of new roads in IRAs only when forest health is significantly compromised; 4) sustainable resource management; 5) IRAs that intersect the WUI managed to protect the WUI and communities and implement the community fire plan; 6) crisis forest health conditions given priority and tools to manage; 7) wish to participate as a cooperating agency in any federal rulemaking regarding IRAs in the County without substantial cost to the County; 8) provide process for salvage harvest, forest thinning or other forest health treatments where not otherwise prohibited under the Forest management plan.	N/A
Mallard-Larkins (#900)	120,991	126,330	Clearwater, Shoshone, (Total IRA acres: Clearwater 119,490, Shoshone 138,448)	State - 12,091	Clearwater NF, Kootenai NF, IRA included in Clearwater and Idaho Panhandle NF.	1B (5,928); 1B-1 (77,947); 1C (41,116)	1D - Recreation; 12 - National Wild and Scenic Rivers; 13 - Special Features; 14 - Research Natural Areas; 15 - Existing and Proposed Wilderness; 4 - Timber Production/Big Game Winter Range; 6 - Timber Production/EK Summer Range; 9 - Unsuitable Lands	MA1b - Recommended Wilderness (49,480); MA2a - Congressionally Designated Wild, Scenic and Recreational Rivers (7,210); MA2b - Eligible or Suitable Wild, Scenic and Recreational Rivers (2,890); MA3 - Social Interest Area (22,110); MA4a - Expedited or Proposed Research Natural Areas (130); MAS - Backcountry (46,240); MAS - General Forest (80)	3 orgs & 1 individuals protect roadless. Total comments 3 organizations, 1 individuals.	State Panhandle NF (and Kootenai portion) specific comment total: 3 orgs and 7 individuals protect roadless; 1 orgs and 2 individuals support FP and/or amendment to FP. Total - 4 organizations, 9 individuals.	Benehah Specific - For Mallard-Larkins Pioneer Management Area: 1) Recognize special nature of area, 2) recognize non-motorized uses while maintaining the flexibility to use motorized equipment for trail maintenance. For areas outside Pioneer Area: 1) Open existing trails and roads to motorized use, 2) open previously existing trails that have been closed, 3) allow motorized access to mining claims, 4) manage accessible areas for timber production in conjunction with prescribed burns, 5) allow timber management and fire when beneficial to address forest health.	Clearwater Specific - area to be managed as it is currently with two boundary adjustments: a) the Bear Creek area west of Old Pioneer Area boundary should be deleted from the proposed wilderness area and open for timber management, b) the area south of Skull Creek in the south should be deleted from the proposed wilderness area and open for timber management. Following trails should remain open: 455, 176, 169, 399. Following trails should remain closed: 263, 233, 101, 455. Would also like to see all RS 2477 assertions opened.	Shoshone Specific - supports Benehah and Clearwater county recommendations for this IRA. Shoshone County has 361 acres of WUI in IRA.	N/A
